ANGLE OF A

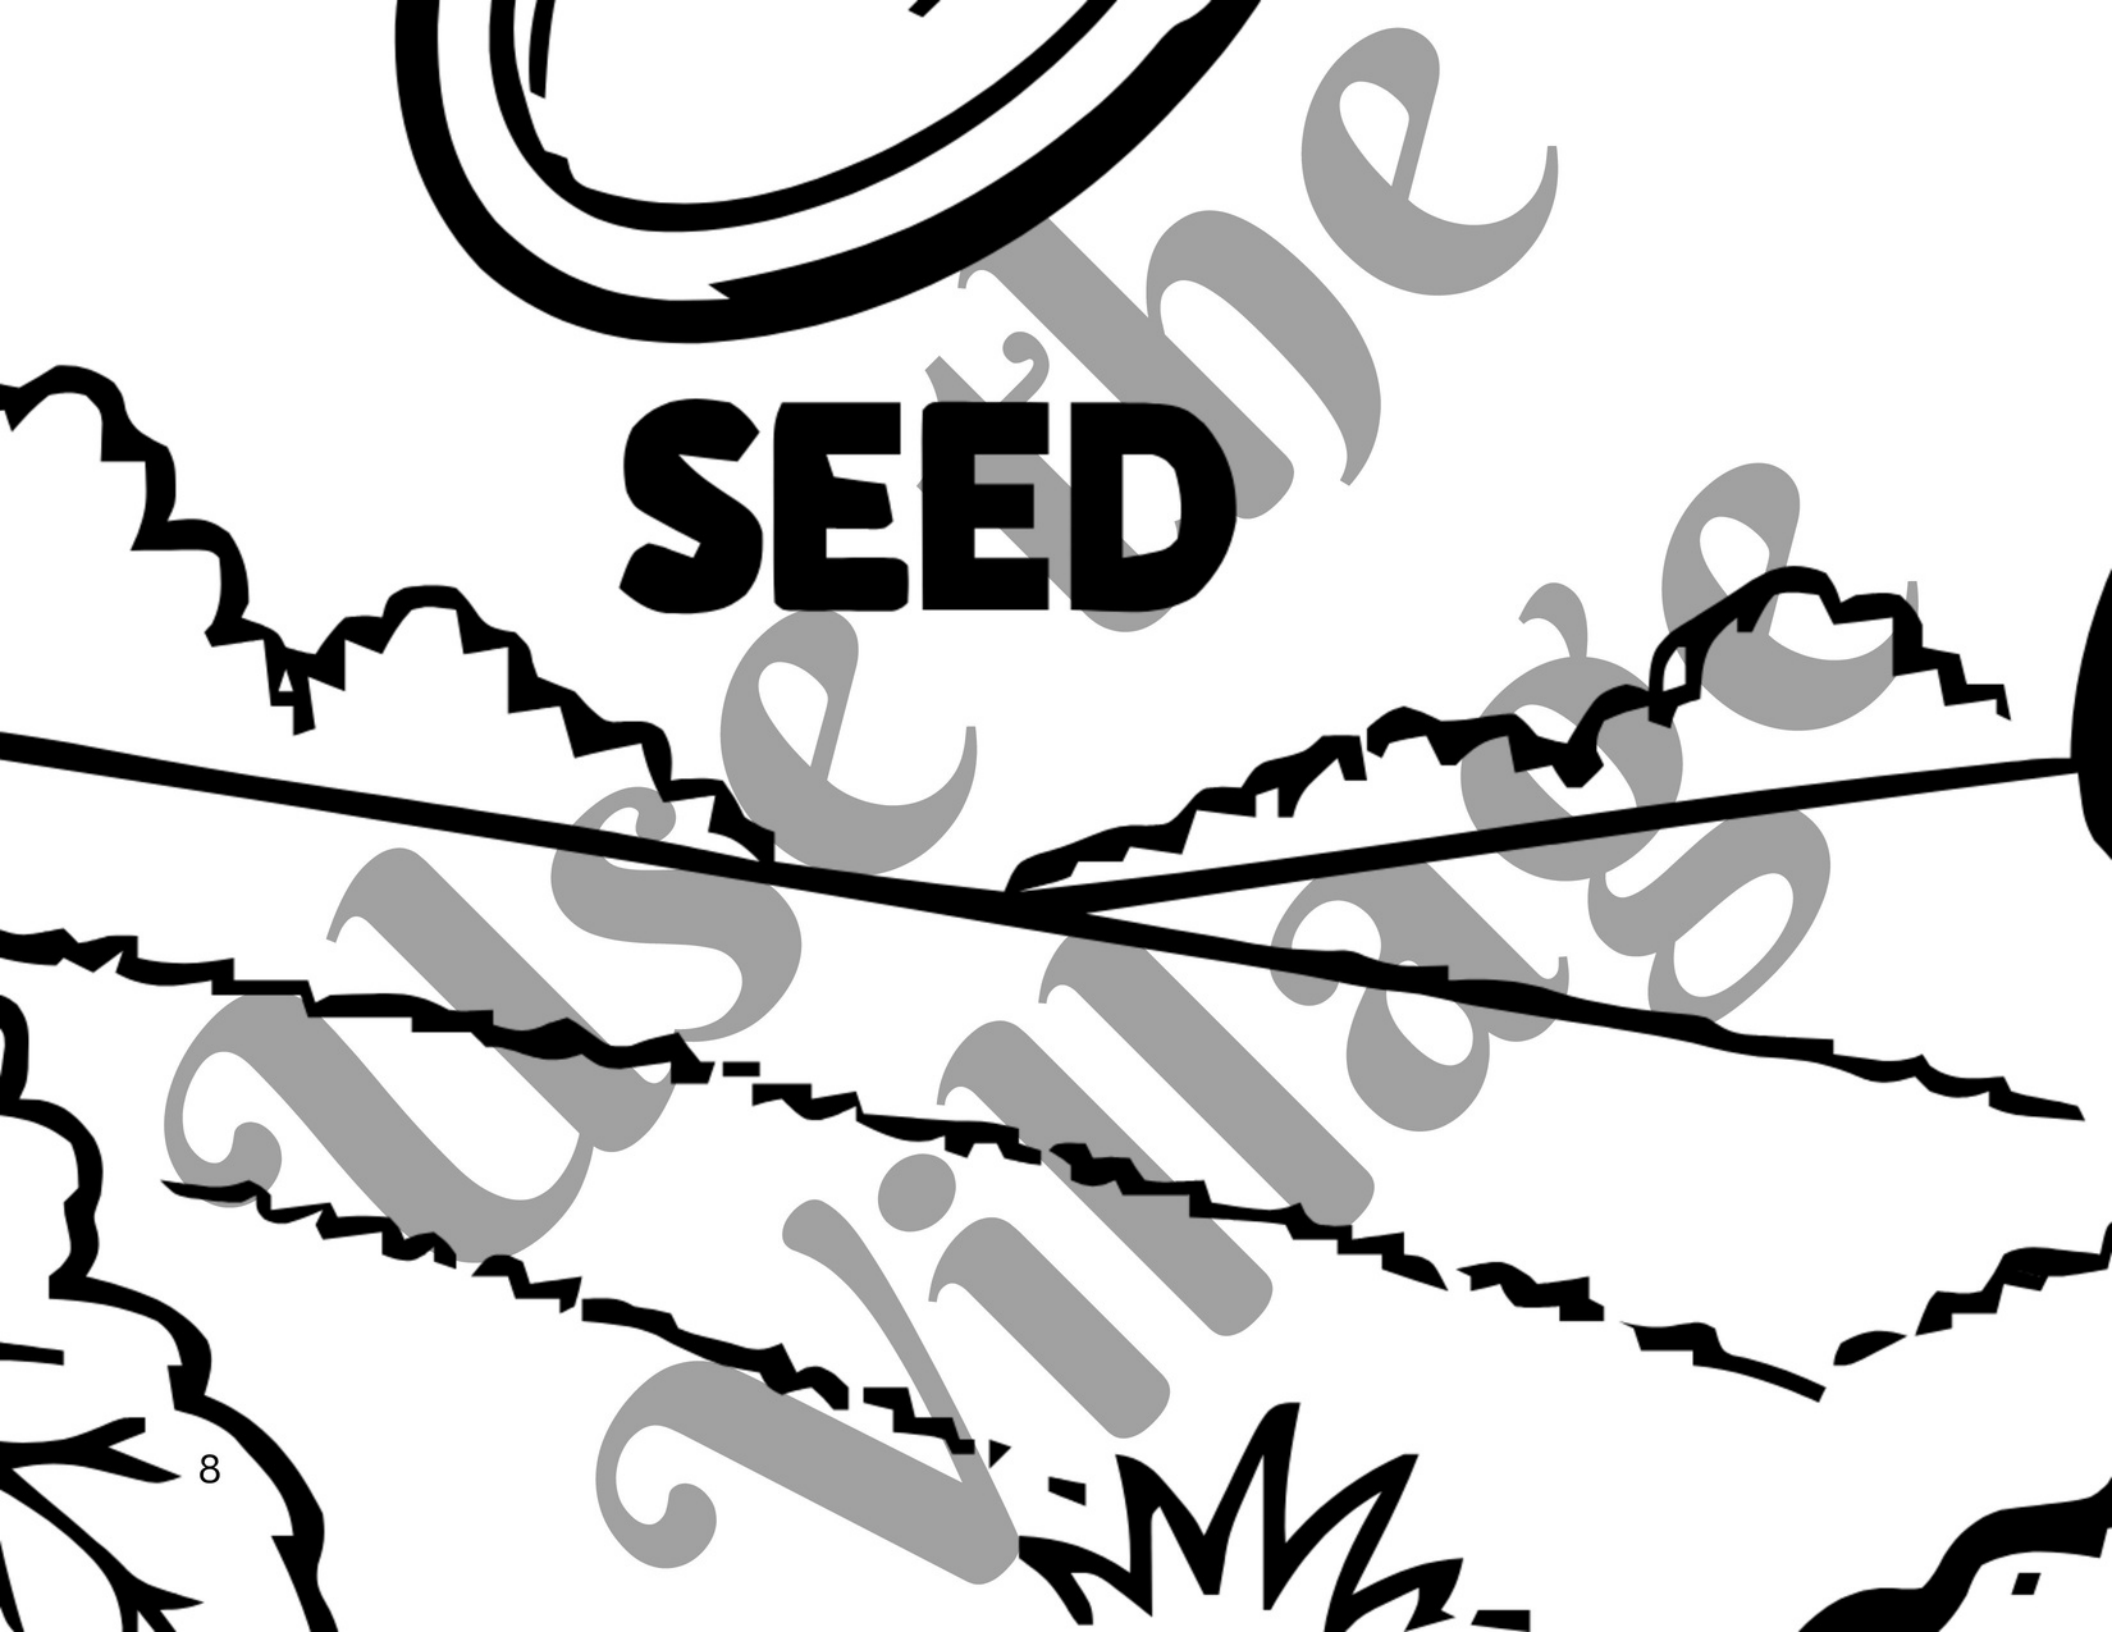

PUMPKIN

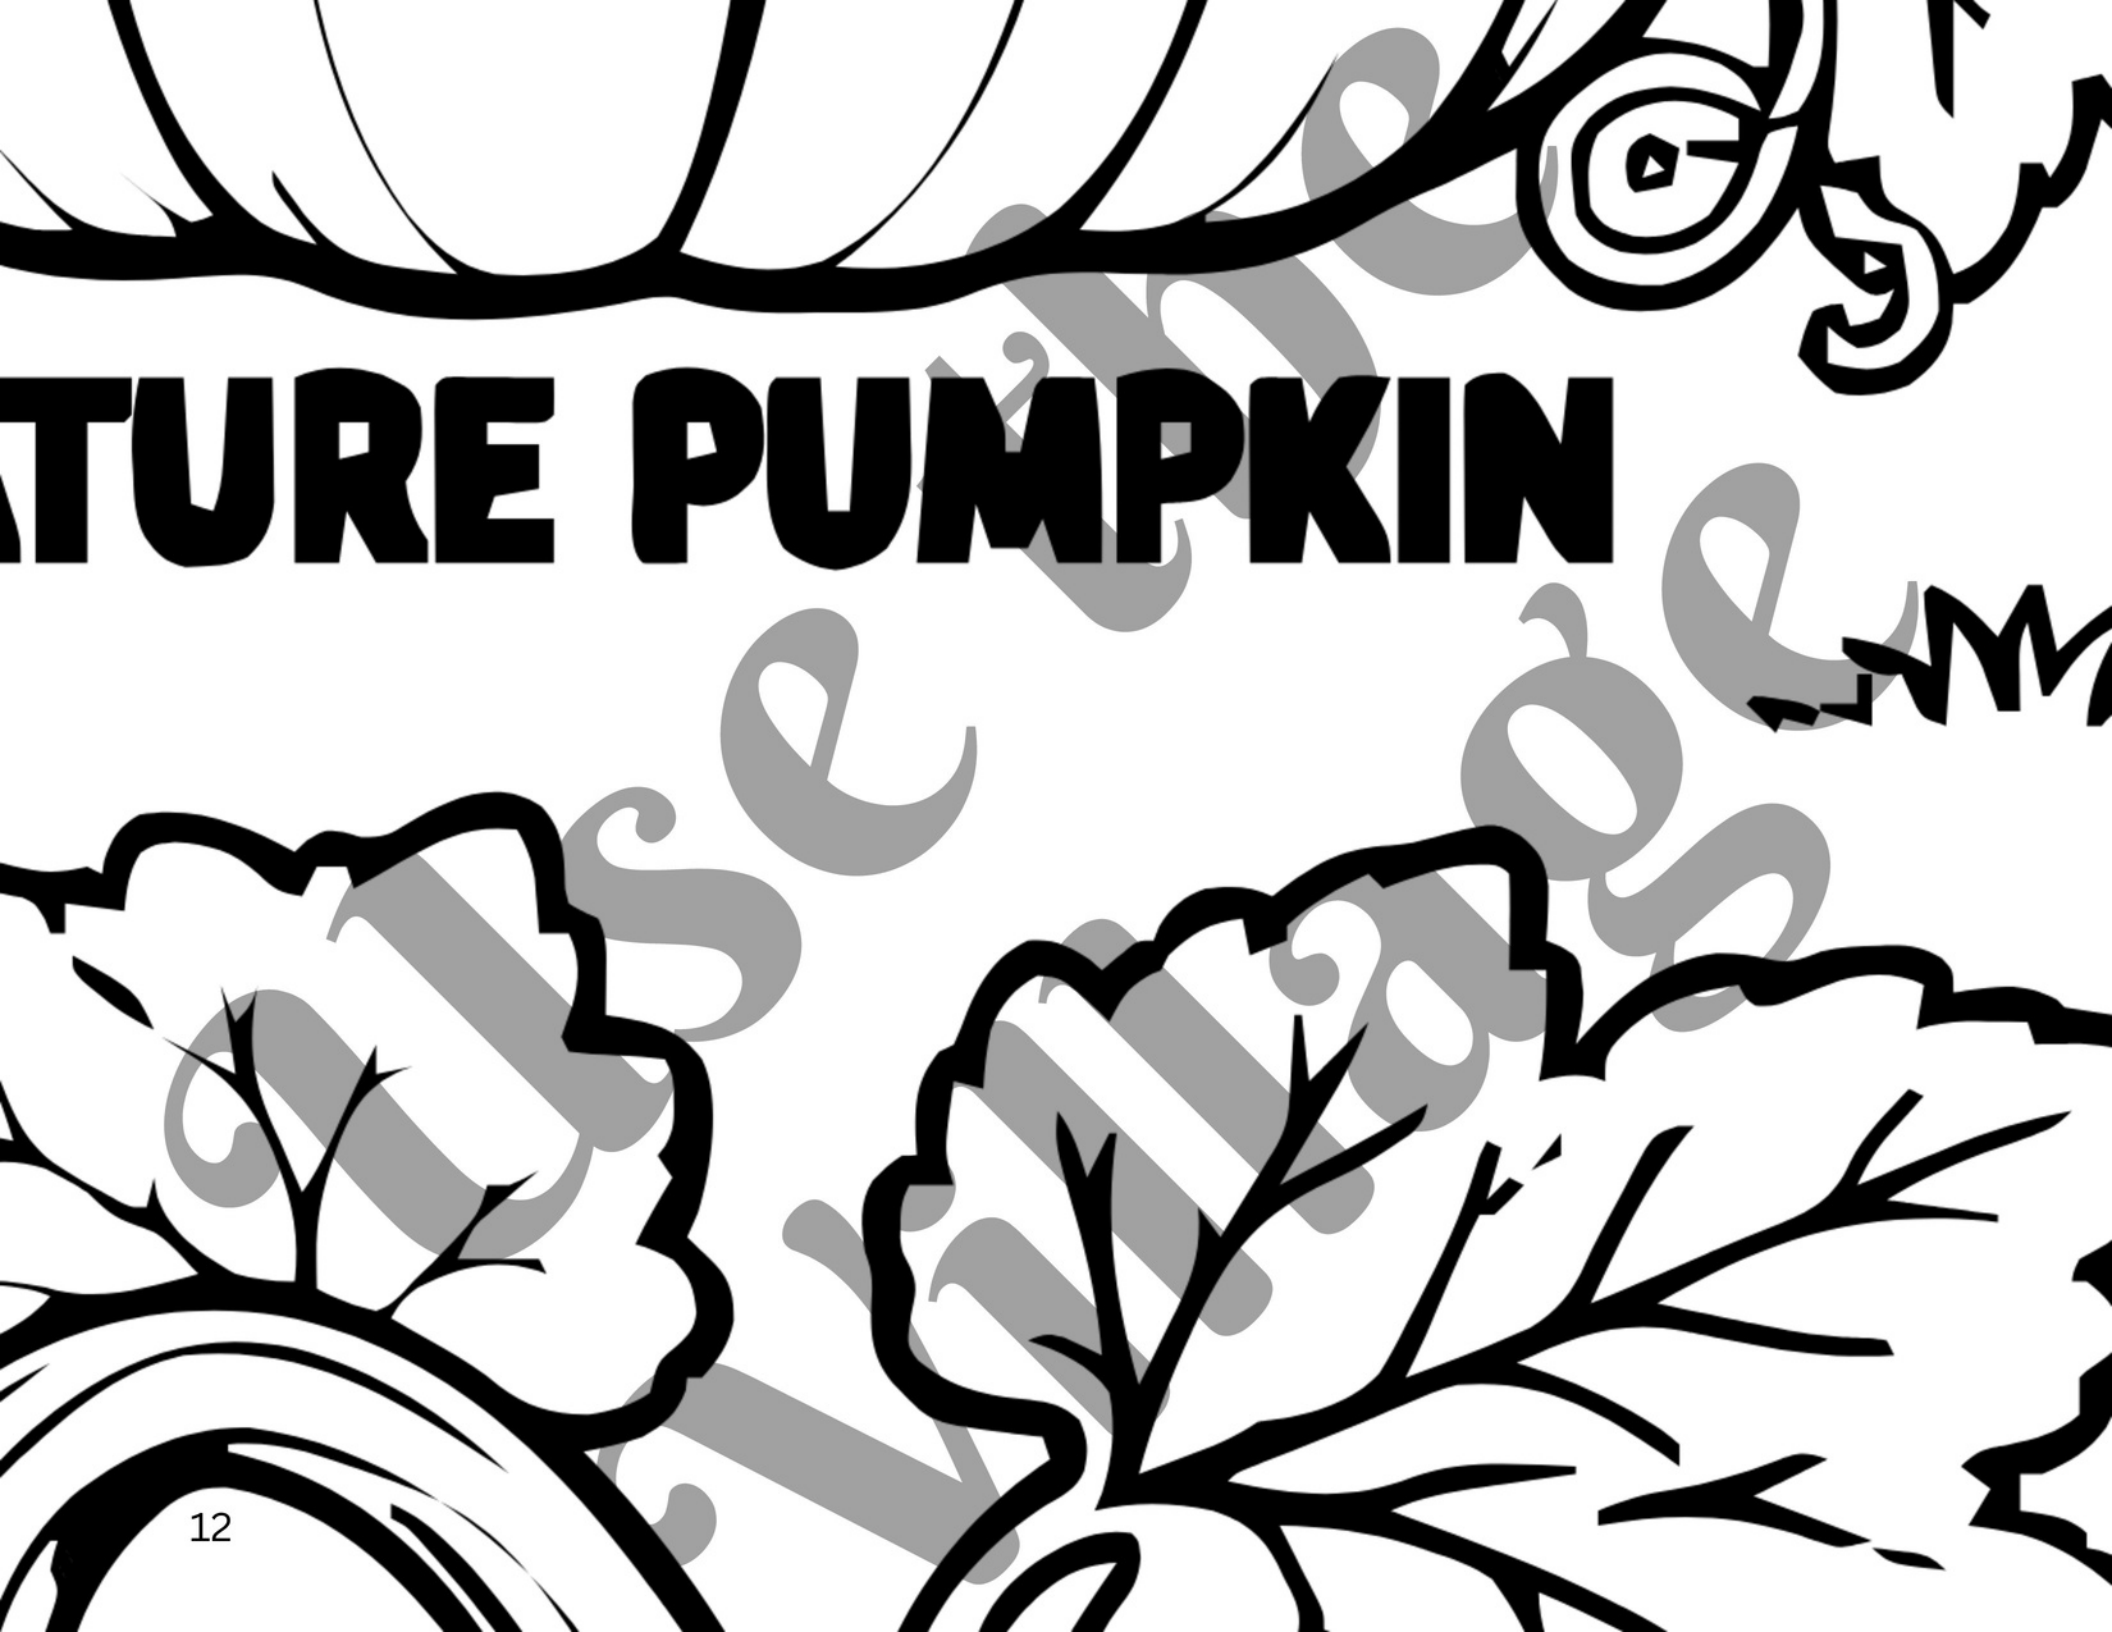

A stylized black and white illustration of a landscape. At the top, a large, thick-lined sun or moon is partially visible. Below it, a jagged line represents a mountain range. A straight line, possibly a road or a river, runs diagonally across the middle. Below this line, another jagged line represents a body of water or a field. The word "SEED" is written in large, bold, black capital letters in the upper center. A faint, large, gray watermark of the word "Seedling" is visible in the background, oriented diagonally.

SEED

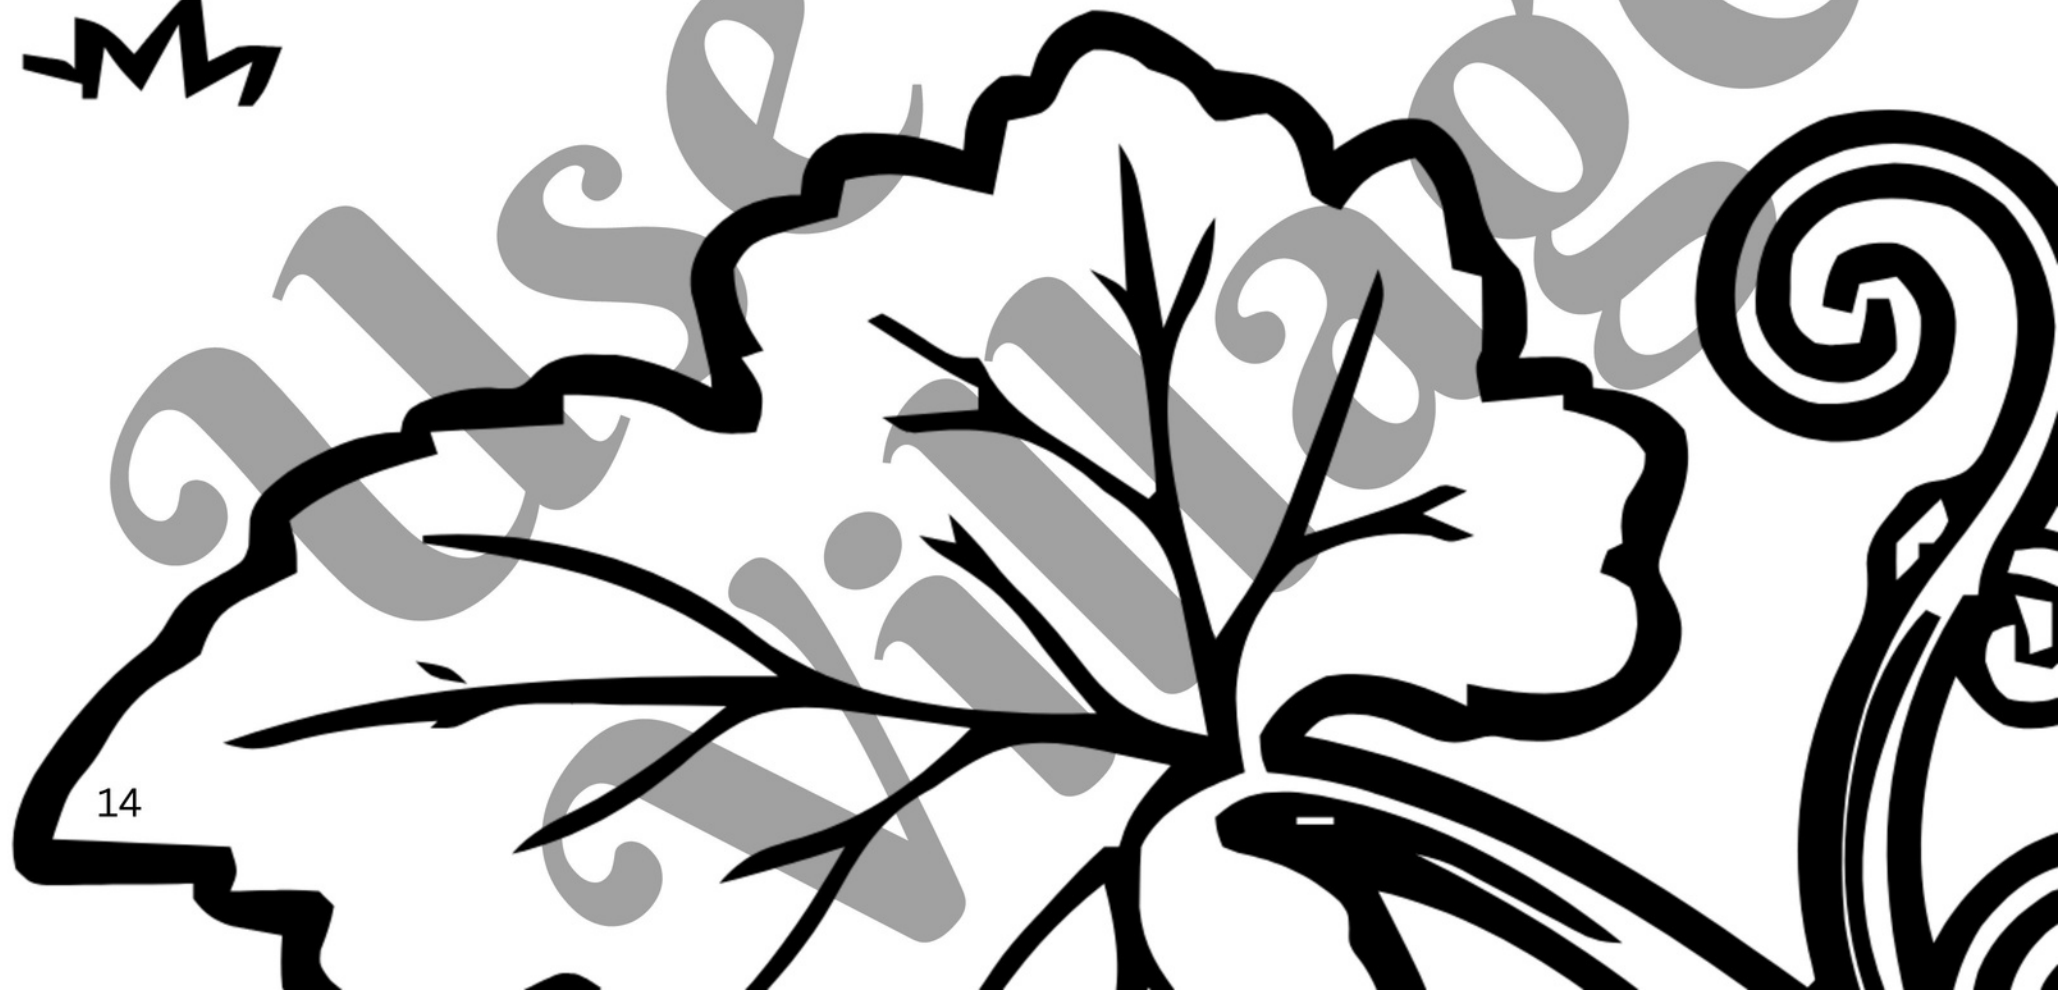

A black and white line drawing of a pumpkin vine with large, lobed leaves and a small pumpkin hanging from the vine. The vine is thick and curly, and the leaves are detailed with veins. A small pumpkin is visible on the right side of the vine.
