SACAGAWEA

Read the biographical passage about Sacagawea and answer the questions.

Sacagawea (1788 – 1812), a member of the Lemhi Shoshone tribe, is celebrated for her indispensable role as a guide and interpreter for the Lewis and Clark expedition. Born in what is now Idaho, Sacagawea's early life was marked by turmoil and injustice when she was taken from her home at a young age, a stark reminder of the challenges faced by Indigenous peoples during this period in American history. Despite these injustices, Sacagawea emerged as a figure of resilience and resourcefulness.

In 1805, Sacagawea joined the Lewis and Clark expedition, where her unique skills greatly contributed to its success. Her knowledge of native plants, geography, and her linguistic abilities were invaluable, not only for survival but in fostering communication and diplomacy with other Native American tribes. Remarkably, she undertook this challenging journey while caring for her infant son, Jean Baptiste, embodying the spirit of courage and determination.

Sacagawea's legacy extends beyond her contributions to the Lewis and Clark expedition. Her life story is a testament to the strength and resilience of Indigenous women and their critical roles in American history. Today, Sacagawea is remembered not just as a guide, but as a symbol of female empowerment and the enduring spirit of exploration and cooperation.
