

Name: _____ Date: _____

Imagine you are an astronaut and you are exploring a planet for the 100th time. Write about what you discover on this planet and how you celebrate the 100th day of your mission.

Use the Villaad

Name: _____ Date: _____

If you could take a rocket ship anywhere in the universe to celebrate the 100th day of school, where would you go and why? Write about your journey and the adventures you have along the way.

Use the Villads

Name: _____ Date: _____

If you could design your own spaceship to take to the moon for the 100th day of school, what would it look like? Draw a picture of your spaceship and write a description of its features and what makes it special.
